

## The Future of Omics Research Summit 2023 Invitation

It is my pleasure to formally invite you to The Future of Omics Research Summit 2023, hosted by MGI Middle East on the 4<sup>th</sup> and 5<sup>th</sup> of December at The Intercontinental Dubai Festival City, Dubai, UAE.

THE FUTURE OF OMICS RESEARCH SUMMIT is a global omics research activity, which attracts the most outstanding scientists with insight and innovations. We're bringing together the brightest minds and groundbreaking ideas under the enduring theme of "LEADING LIFE SCIENCE INNOVATION."

With discussions focused on Population Genomics Research on Day 1 and Human Genetics, Metagenomics Research and Clinical Genomics on Day 2, this two-day event aims to bring together world-leaders in the field of healthcare and life-science research to share their experiences and vision for the future.

We eagerly anticipate the opportunity to meet and collaborate with more friends, further enriching the discourse and discovery within the field of Health and Omics.

I look forward to meeting you in Dubai.

Yours sincerely,

Dr. Roy Tan  
General Manager of MGI APAC
